"THE FALLS"

Oil on Canvas
46"H X 46"W

DEAR ART AFFICIANADOS:

I enjoyed painting these falls. They are a combination of all the waterfalls I've seen during my extensive travels all over the world. Big waterfalls are definitely a tourist attraction, so wherever I toured, from Niagara Falls to Victoria Falls, they were a high point of my trip and my memories.

I didn't have to look at a photograph to paint this picture. The memories are so riveted in my sub-conscious that I just began painting and improvising and after much trial and error....out came "The Falls"! Amazing what you can squeeze out of your memories/imagination when you open the gate and let them out and then play with them.

THANK YOU

Marcel Duchamp once said, “The creative act is not performed by the artist alone, the spectator brings the work in contact with the external world by deciphering and interpreting his inner qualifications”. I need you as my audience. Thank you for your interest in my art.
